We first met Bob Lombardi when he did our pavers on our driveway and we were very satisfied with his workmanship. When we were building a summer home on LBI, we called Bob since we knew the quality of his work.

Bob builds a wonderful house with attention to every detail and works with the homeowner to construct the house of their dreams. His craftsmen are excellent workmen and take pride in their work.

We moved into the house in the summer of 2001 and in the summer of 2003 we had a problem with our French Doors.

We called Bob and after explaining our problem he sent his workman and solved the situation.

It is nice to have a builder who stands behind his work.

We give Bob very high marks and would not hesitate to recommend him to our friends.

Sincerely,

Carol & Vincent Incao
